PS. There's also a special **hidden bonus worth \$47.00 within this book** which you'll love, look out for it...

Irrefutable Real-Life PROOF That **"Secret Affiliate Weapon" Really** **Works To Help You Make Money!**

Secret Affiliate Weapon was the first program to teach me how easy it could be to draw in back-end sales for more profits. Ewen makes it look simple and you can learn a lot just from watching what he does.

Secret Affiliate Weapon is the easiest affiliate income I've ever made. It also continues to teach me new things.

Thanks Ewen for all your support, your emails, your blog and the countless new Effective ways you keep telling me about to promote Secret Affiliate Weapon.

I'm now using your strategies for one of my clients in a totally different field and they can't believe the results but I can. To your ultimate success Ewen, Thanks.

I have been trying to make an income online for over 12 months and was constantly suffering from information overload which resulted in me going around in circles and not achieving anything...until I found Ewen Chia.

Ewen arranges things so you avoid the clutter and get to earn \$\$ quickly. His simple step by step system and the clarity he provides is excellent for a newbie!

Hi Ewen, As you know, I have been responsible for more than \$8,000 in sales within my first week of being an affiliate for Secret Affiliate Weapon...

I must admit though that I am not actively marketing it anymore, yet I continue to get sales (almost on a daily basis). SAW practically sells itself. I have never promoted a program that converts into sales as easily as this one.

SAW is adding a nice figure to my bottom line every month. To date I have had more than \$14,000 in sales with a few hundred still coming in every month. And I get all of this through indirect marketing results.

Anyway, that is just on the income side, let alone the information that you keep giving us on a regular basis. I almost find it absurd that you could give away (and continue to add) such valuable information for a mere \$9.97!

Ewen is one of those rare marketers who can really make your product launch explosive! I've seen first hand how Ewen promotes and the results he delivers.

As a top affiliate of mine he won our affiliate sales contest for a big product launch we did in 2005. However, he didn't just win, he blew away the competition! Now I consider myself a pretty good marketer and have one a lot of affiliate contests myself but there is always something I can learn from Ewen.

I'm a proud member of Secret Affiliate Weapon myself and it is the one site I recommend to all of my affiliates. When my affiliates can learn from Ewen it can only help my business more. You cannot go wrong by becoming a SAW member today. Regards, Jeremy Gislason

Ewen, I am deluged with people selling tons of products every day...

I can honestly say that ALMOST NONE compare to your Secret Affiliate Weapon product for providing affiliate marketers with methods they can really use to make themselves successful and become a super affiliate themselves.

I always tell my subscribers if they are SERIOUS about becoming a success in affiliate marketing, they need to check out your product!

- JEFFREY
<http://internetbusinessreport.com>

This has changed my luck completely! I only started dabbling online 3 months ago. I found SAW through traffic exchanges, which is where I started...

I was literally vibrating with excitement. I put Ultimate Website Videos and AMM on pages in my site and just from that, every few days I noticed there was a SAW sale in my clickbank account! How easy is that?

That excited me so much I just bought advertising to pull more people to those free stuff pages two days ago, and I just know, it's going to make me more sales. How can it not? It's an awesome deal, and I think the sheer excitement in my write up is contagious!

By the way, I was tickled to see my clickbank ID rolling by on your cash videos! The ideas in SAW have helped me sell more than just this one product.

Like I said, I'm just getting started, but in May alone I have made over \$1000 selling other peoples stuff!

Thanks Ewen!

Ewen, when I came upon SAW for the first time, I immediately realized it was a total no-brainer.

I can say this is one of the best investments I have ever made, and the price was an absolute steal.

Your membership is awesome and the information is top-notch. I strongly recommend SAW to anyone that is involved with affiliate marketing.

Just one of Ewen's ideas can make your affiliate checks grow by big amounts!

Hi Ewen, This is the best example any one can set for putting affiliate income on autopilot! :)

You create great tools from allowing affiliates to promote SAW and make their life really easy. You really practice what you say.

I gave away "Ultimate Website Videos" PDF at couple of giveaways, it helped me get subscribers as well as convert them to customers. And all this on auto-pilot. I just set it once and people still download PDF from my site they get the message, view it, SAW is a GREAT product at an INSANELY low price, so, any one will be fool enough to not take it.

This makes me smile by seeing those small \$4.83 amounts everyday in my Clickbank account (when they become SAW members) and \$43+ once every week, when the upgrade! This is when I haven't promoted heavily, this really motivates me to promote it on regular basis, so, I get regular smiles! :)

I am quite happy the way this "Load it, Promote it, Forget it" model is working. Thanks for making difference in my online life.

Hi Ewen, Secret Affiliate Weapon is the BEST Program I ever read.

I learned a great deal from it and have highly suggested to many others since I purchased my copy!

I love the fact that it did not stop with just the initial package and much more has been sent to me based on that purchase.

The price was unbeatable and everyone that does any type of Affiliate Marketing needs this! And like I said for the price you can't beat it, the value is far worth more than the price.

Great job Ewen and I still till this day suggest it to people!

Hello Ewen: Many people think that MAKING MONEY is the most "important thing" about an internet business, but I feel that may be wrong.

The "thing" you must do FIRST, and what WILL make money is, 'change your way of thinking, about HOW to make money'.

The Secret Affiliate Weapon techniques and guidance I've received, have been responsible for changing my thinking to a, "Marketing Mindset", which I'll apply to my ventures and adventures on the Internet.

I thank you for your investment in me, both in email and newsletter formats and your Secret Affiliate Weapon correspondence.

I now look forward to, as your signature states, 'My Affiliate Success'!

Thank you so much for your Secret Affiliate Weapon.

Ewen, let me first say that I am truly grateful for all of the valuable information you revealed at your Secret Affiliate Weapon membership site.

What you've given me through your membership site is priceless and I truly believe that many individuals haven't yet realized the value hidden within. Just from using one of your pre-selling strategies, I was able to increase my affiliate income by 5X's.

Now before I joined your site, I was never the big affiliate marketer. I thought that the ONLY way I could truly earn some money online was to try to create my own products and sell them online.

But boy was I wrong! Now I am making a great living as an affiliate marketer. And to show you some proof, here are 2 snapshots of clickbank earnings that I generated just from sending one email using your pre-selling strategies. And this is money earned from other peoples products ONLY.....

Ewen, I have to thank you for your generosity.

The information you supplied in just one post (the killer template you supplied) gave me an "a ha" and have done amazing things to my click through and conversion rates on my promotions.

This is an amazing value you supply. I'm not complaining but you could easily be charging a heck of a lot more. Many thanks!

Ewen Chia... this guy is everywhere.

If you don't know this name, I think you've been hiding under a rock. To put it another way--if you are interested in becoming successful at Affiliate Marketing you had better learn this name.

I have been following Ewen for a while now, and I can tell you he is always one step ahead. Do you think you'd benefit from a lifetime membership that gives you direct access to all his secrets?

Just by using one of the tips from the Secret Affiliate Weapon, I have tripled my monthly income.

It's still hard to believe that he gives away so much for so little. Thanks Ewen! I look forward to what you are going to reveal next...

Hi Ewen, I joined SAW a few months ago, I was a newbie without any Internet Experience. I chanced upon the "Ultimate Website Videos" which really opened my eyes to the opportunity's available to Internet Marketing.

Also I heard the Jungle Drums beating out the Name of Ewen Chia who was the Affiliate Guru. I very quickly joined SAW and have received weekly letters and newsletters from Ewen describing the various opportunity's he had found and of course his own. So what have I learned in my few months under the wings and guidance of Ewen Chia?

To put it in simple terms: He is the Secret Affiliate Weapon! Get Ewen and his followers behind you, and you will make money. He will tell you from day 1, That you will only get out of the Internet, from what you put into it. Thank you for your continuing support and guidance, may your light be forever bright.

I've been experimenting with various online business opportunities for about a year now and the success I have been having with my affiliate marketing promotions are a result of Ewen's Secret Affiliate Weapon.

I think the most important part of Ewen Chia being a part of other people's success is that he continuously keeps in touch with his subscribers offering new tips and advice through his email updates and 'secret blog' postings.

I always look forward to each of his updates. Without a doubt this is the most inexpensive and worthwhile investment for affiliate marketers, especially for those looking to get their feet wet and earn a nice income form home!

Hi Ewen, greetings from Ireland. You know, during the past year or so I have bought numerous e-books, programs, memberships, tutorials etc.

Until recently I was very disappointed on every occasion, what with more wasted money down the drain, more time wasted, more times a fool was made of me. Recently, that is until I stumbled across your "Secret Affiliate Weapon".

I bought it and shoved it to one side, queued it up so to speak, beside all the others. A couple of days ago I again stumbled on it. HEY, what an inspiration.

You just show the way to do it in simple language. No fuss, no jargon, no missing bits. Wow, you can speak to the masses about how to go, make money easily.

One, two, three...A, B, C. So easy to use your "Secret Affiliate Weapon" link in your signatures, websites, postings and other communications. It's a great simple way for anybody to start out on the road to success.

Thank you so so very much for "Showing the way". Good luck for ever, Mort.
